Parent/guardian's Activities

Parents/Guardians must call the internet service provider (ISP) listed in the letter by October 5, 2020. They must provide their Chicago Connected code, verify their current home address on file with their child's school, and schedule their setup.

NOTE: Before contacting the ISP, eligible families are encouraged to verify the student's address on record in Aspen. If the address is inaccurate, the parent/guardian should contact the student's school to update the information.

To learn more about the program, families can visit cps.edu/chicagoconnected or call the CPS Parent Tech Support helpdesk at (773) 417-1060 from 7:30 a.m. - 4:30 p.m. Monday-Friday.
